

2020 Fun Days, Year end Luncheon and AGM

Monday, Mar. 23 will be our annual fun day to close the curling season, year end luncheon and AGM. Wednesday will be the last day of curling with fun activities.

Should there be a tie in either the Monday or Wednesday leagues, there may be a tie breaker game on either March 23 or 25. The Monday league winner plays the Wednesday league winner at the Day of Champions on March 28 at 1:00 pm

As several people are away both days, and Wednesday only curlers and spares are invited to attend on Monday, the teams for the fun days will be randomly decided. You will get a card as you enter. The card will determine your team, ice and opponent. We may do some fine tuning.

The following Monday teams (as drawn out of a hat) will start at 8:30: **Wallace, McMillan, Sinclair, Moon, Lamb, Howard, Lindsay, and Jarl.** All other Monday teams start at 10:30. The Wednesday games start at 8:30 as usual. Paul will not be assigning spares or collecting spare fees on either day. Everyone is invited to enter the tap-up event on Monday.

All games will be six ends. No player may skip more than 2 ends. There may be some surprises!

The "Taylor Tankard" will be in play on both fun days. If your team scores 2 points in one end, you ring the magic bell and place the "Tankard" on your color at the end of your sheet. The next team to score 2 points in an end, steals the "Tankard" and rings the bell placing the Tankard on their sheet. The team who ends up with the "Tankard" at the end of the draw gets a pitcher of beer. The Wed. winners get a can of craft beer to take home with them.

There will be an opportunity for everyone to win a "turkey" by tapping to the button. Our thanks to Gary and the officiating crew for ruthlessly enforcing the rules. If you are on the Monday late draw, come early so you can participate before your game. This is a special invitation to all spares to come down and take part in the "turkey" shoot.

For the Wednesday folks there will be a team tap to the button competition after their six ends of play. The team decides who holds the broom, who throws and who sweeps. The teams on each sheet play each other, then the winners play the winners on the sheet next to them until we have a winning team who gets 4 craft brews.

Coffee and muffins are free!

Chef Michael is providing the lunch at 12:45 pm on Monday, March 23. Over 80 people have indicated that they are coming for lunch. Our sponsors have been invited to join us.

After lunch, we will hold our Annual General Meeting followed by the awarding of prizes.

There will be a 50/50 draw. 50/50 tickets are also your chance to win a prize so Keep Your Tickets!

Looking forward to great year end events!
