URGENT

*In light of the corona virus (covid-19) outbreak, this morning the Board of Directors decided, **that effective immediately**, the curling rink, including the lounge, is closed for the rest of this season. All curling related events and activities are cancelled. This includes all league play, practice ice, bonspiels, programs and events. The ice will be removed as soon as Kent is ready to do so.*

The Board and Kent are presently working on the many details, such as gaining access to lockers, raised by this sudden closure. Watch for future up-dates.

We trust that everyone understands the reason for the Board taking this stance. We appreciate your patience as we work through the details.

If you have any questions contact Art at (604-854-1833) or email heppyhep@shaw.ca

Look after yourself and stay healthy!
